FALLS CHURCH HISTORICAL NEWS AND NOTES

Falls Church Historical News and Notes was an unofficial publication edited by Henry H. Douglas from May 1970 through 1972. It was devoted entirely to the Falls Church community and the people and places that gave Falls Church its early character.

It has received great appreciation, but no help in producing it has been forthcoming. It was discontinued as of the end of 1972. Future Falls Church material will be published in *Echoes of History*.

Most back issues are available at 50¢ each.
